

The Victory Basket

Samaritan Ministry
February 2017

The **Victory Basket** is a special basket of items just for the WOMEN we serve who are LIVING with HIV. Survival with this illness is indeed a VICTORY! With your help we will try to provide baskets to about 25 of our clients for Valentines Day.

We will provide baskets with assistance from the Women 4 Women program, sponsored and funded by the Mount Rest Foundation.

You should shop for the items listed below and include these items in the basket we provide. Please stick to the items listed below so that each woman receives a basket of equal value. We will be adding items to the baskets, too. Note that we will be including a devotional guide for each basket. All items should be purchased with women in mind!

Deadline for completion of this project is Friday, FEBRUARY 3rd. Baskets can be dropped at the Welcome Center at Central Baptist.
