

The Victory Basket Missions Project

The **Victory Basket** is a special basket of items just for the WOMEN we serve who are LIVING with HIV. Survival with this illness is indeed a VICTORY! We run this project in a similar way as the Hope Bucket Project, usually run at Christmastime, but this project is ideal for Valentines Day.

If you can, purchase baskets so that everyone can get a similar one. We found a large laundry type basket at Big Lots for under \$5.00.

Your volunteers should shop for the list of items and they should stick to the list provided so everyone gets a basket of equal value. You can create your own list or use ours, printed for you below. We have added other items like gift cards, cologne, etc. when we could get donations, but the purpose of this project is to get church groups to collect the items and put the baskets together. Note that we include a devotional guide (available at no charge) from *Our Daily Bread Ministries*. The **Our Daily Bread** devotional guide is an excellent choice. This is optional. All items should be purchased with women in mind!

- Deodorant
- Scented soap
- Hand cream
- Body lotion
- Chocolate
- Chapstick
- Scented candles
- Bath beads
- Nail polish and remover
- Footies. anklets
- Emery boards
- Women's razors
- Ladies shaving gel or cream
- Shampoo & conditioner

Our Women's Support Group delivers the Baskets to women in the community, but a church group can do the deliveries as well. This is an opportunity to share God's blessings through your service.
